**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a small business owner and a patriot of self government. I am looking for more carrier options than AT&T and Comcast. Please do NOT pass laws and regulations that protect Comcast's and AT&T's interests and undermine the growth of new companies and technologies.

If you have good reasons to why the regulation (Bridge 2 Broadband) you are wanting to change has the best intentions for all businesses fairly and equally, please share those points with me. I would love to see an overview of the discussion points that are helping drive this decision.

You can send me your proposal at [blakemccclaren@gmail.com](mailto:blakemccclaren@gmail.com).

Thanks!
